

IOWA STATE CAPITOL

REPRESENTATIVE DAWN PETTENGILL

To All Employees,

I attended the Marango Library dedication & open house recently. Just want all of you to know how impressed I was with the quality of work that went into the building. Never again will I believe it when someone says "they don't make it like they used to." They do if it's built by Garling. Your work will be enjoyed by generations to come. Thank you! Dawn Pettengill
