**"Quality Education For a Lifetime of Learning"**

JAN 16 2013

Doug,

Just a note to highlight two of your employees.

Kent K. and "Mert", did a wonderful job working through a pretty short and at times stressful project!

I appreciated the attention to the details and response to the needs of the school district. Kent and Mert did a wonderful job of balancing the pace and schedule. They handled issues timely and with a professional attitude consistently.

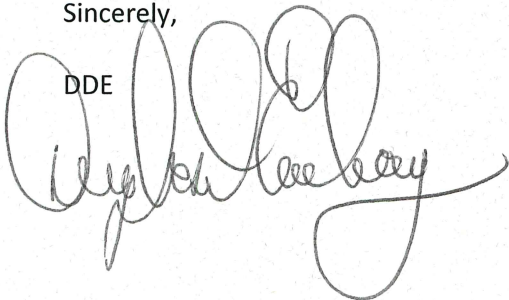

Lots of very positive comments and visits by other schools and patrons to the stadium.

I would also thank you for involvement when needed as we closed the project out! Not often that these projects are on time and under budget.

If I can be of assistance with referrals or site visits that would assist any future projects you may work within schools please call.

Sincerely,

DDE
